- Feeding or baiting of deer, including the use of salt blocks, is not permitted.
- Harvested animals may be field dressed but parts and pieces may not be left in open or mowed areas. Hunters may not use mechanisms to hang deer which damage trees.

- Deer carcasses may be left in forested areas, out of sight of roads and public use areas. Do not leave carcasses behind lodging facilities, next to roads, or where other state park visitors may see them.
- Four - wheelers, ATVs and other utility vehicles are prohibited on park property. Hunters may use hand carts to hike harvested deer out from the field. Do not drive vehicles off maintained roads.

- Hunters may not discharge a firearm within 100 yards of maintained roads or buildings.
- Hunters are required to get permission from surrounding landowners before crossing property boundaries to access park land or retrieve downed deer. Please respect the property rights of adjacent landowners and do not trespass.
- It is the responsibility of the hunter to stay within park boundaries and approved hunt areas. State Park administrators will provide hunters with a map of park boundaries, including approved hunt areas.
- Hunters may scout the area any time prior to the hunt that the park is open. The Department of Parks is not responsible for monitoring blinds or other equipment. Hunters may not “reserve” a hunting space or zone.
- Please be courteous of other state park visitors. Non-hunters may be present on park during the course of the hunt. Be discreet and respectful of the sensitive nature of hunting. Make every effort to conceal harvested animals during transport.
